Back of Form 2A. (modified for body corporates)

1 When to use this form

The body corporate may make a claim for eligibility using this form at any time. However if the body corporate wants to be represented on the roll for a particular election it must give its claim form to the local government more than 50 days before the election date.

2 Who should use this form

Fill in this form if the body corporate:

- owns or occupies³ rateable property in a district or ward but are not represented on the residents roll in that district or ward; or
- qualifies under clause 12 of Schedule 9.3 to the *Local Government* Act 1995⁷,

and wants to be able to vote at local government elections for that district. It should be noted that the body corporate may nominate two persons who are on either the State or Commonwealth electoral roll, to enrol as electors. If a proposed nominee is on the residents roll for the district or ward, they are automatically enrolled to vote.

3 Who is an Occupier

To qualify as an occupier the body corporate must have a right, under a lease, tenancy agreement or other legal instrument, to be in continuous occupation of the property for at least the next 3 months.

When the Chief Executive Officer of the local government is considering the claim, he or she may ask for a copy of the lease or tenancy agreement to support the claim. A copy does not need to be provided unless asked.

4 Silent address

If having the nominee's address on the register or the roll would put his or her safety, or that of his or her family, at risk ask the Chief Executive Officer not to show the address on the roll. To do this it is necessary to give to the Chief Executive Officer a statutory declaration setting out the reasons why the nominee does not want his or her address shown on the roll.

5 Rateable Property

If the body corporate owns or occupies more than one property in the electorate, give details of them all. Add additional pages if necessary.

6 Which ward

If the property in respect of which this claim is made is partly in one ward and partly in another the body corporate may choose which of those wards the claim is to apply to. If this box is left blank the Chief Executive Officer of the local government will decide which ward the claim is to apply to.

In this form the ward, or if no ward is applicable the district, is referred to as "the electorate".

7 Qualification under clause 12

To qualify under clause 12 of Schedule 9.3 to the *Local Government Act* 1995 the person must –

- own or occupy rateable property in the electorate;
- have been represented on the last electoral roll prepared under the *Local Government Act 1960* for that electorate; and
- have owned or occupied rateable property in the electorate continuously since that roll was prepared.

Back of Form 2A. (modified for body corporates)

8 Nominations

A nomination must be made in writing and be signed by an officer of the body corporate in accordance with the *Local Government (Elections) Regulations 1997.*

If the body corporate owns or occupies more than one property in a district, a nomination applies to all those properties.

Duration of enrolment

If the body corporate Enrolment Eligibility Claim as an occupier is accepted it will expire in accordance with section 4.33 of the *Local Government Act 1995* (this will usually be 6 months after the holding of the second ordinary election after your claim was accepted). If the body corporate wishes to continue to qualify to be represented on the roll after that, the body corporate will need to make another enrolment eligibility claim.

Confidentiality

The date of birth of nominees, and phone and fax numbers and e-mail addresses supplied in this form will be kept confidential and will be used only by the local government and the Western Australian Electoral Commission for the purpose of preparing local government electoral rolls.

Where to send this form

When completed and signed, send this form to the Chief Executive Officer of the local government. It may be sent it by post, by fax or by other electronic means so long as it is capable of being printed in its entirety, including a signature. If sent by fax or electronically check that it has been received.

Change of Address/Details

Do not complete this form to advise of change of address or any other enrolment details. Simply advise the local government in writing of the amended details in the enrolment.
