The Australian Government Mobile Service Centre is supporting rural communities by providing convenient access to Australian Government payments and services. This specialised vehicle offers a wide range of face to face and self service assistance for rural families, older Australians, students, job seekers, people with disability, carers, farmers and self-employed people.

You can visit the Mobile Service Centre:

Experienced staff travel with the Mobile Service Centre and provide friendly, face-to-face service, information and support. On this trip, the Australian Taxation Office will be available to assist with advice and information about tax and superannuation. If the assistance you're after is not available, arrangements will be made for someone from the relevant organisation to contact you.
