### Step 2: Add your library card details

As a final step of the process, enter your Bruce Rock library card details when prompted and click on continue. You are now set up and ready to watch videos. **Enjoy!**

- > Play credits reset on the I<sup>st</sup> of the month

### WATCH NOW!!!

Or continue watching in your mobile browser

When on your institution's Kanopy website, you have two options for discovery:

**I) Browsing by subject:** You can use the "Browse Subjects" dropdown feature at the top of the website to navigate to find films on particular topics.

2) Searching for keywords: You can use the search box to search for a keyword, film title, filmmaker, person, country, or otherwise. Searching will crawl through all metadata for a film, including even the words in the transcript, to deliver you the full and most relevant results.
