VERHOOGT, Jen is eligible to stand for election as a resident of the Shire of Bruce Rock.

I am nominating for another 4 year term as a Councillor for the Shire of Bruce Rock.

We run an agricultural contracting business servicing surrounding areas. I believe family businesses, both farm and town based, are a vital part of keeping our community thriving. I also work part time at our local school as their Library Officer and am passionate about helping to make our school the best it can be for our children.

Bruce Rock is a proactive town with a wide demographic, so continually working towards meeting community needs, desires and expectations is ongoing. Volunteers are a big asset to our town and helping them feel supported has always been a priority for me.

The needs of our senior residents and keeping young families in our town is something I believe requires constant work and change. I have three adult children and along with their families they have set up homes and businesses in our town. I want Bruce Rock to continue to be a great place to live and bring up your family.
