**CONDITIONS**

You will be invoiced by the Shire of Bruce Rock if payment is not made on the day.

Failure to dispose of waste in the appropriate/approved location without prior approval by a Shire of Bruce Rock staff member will result in the person responsible being invoiced for the cost of removing the waste.

If the landfill gates are found to have not been shut and/or locked the cost to rectify this will be the responsibility of the keyholder and a cost recovery basis

Only waste generated within the local government district of Bruce Rock can be accepted at the landfill site.

**Please Note:**

- Pallets cannot be accepted at the Bruce Rock Landfill Site. Granted 2 to 5 damaged pallets from time to time can be disposed of into the trench, not stockpiled above ground. This will be monitored ongoing to see if this arrangement is mutually beneficial; and
- Contaminated waste cannot be accepted at the Bruce Rock Landfill Site.
