Kanopy User Guide

Kanopy provides access to one of the most unique collections of films in the world including award-winning documentaries, indie and foreign films, must see classics and blockbuster movies.

Download on the App Store

GET IT ON Google Play

Using Kanopy on a tablet or smartphone device

- Download the **Kanopy app** from the App Store (Apple) or Google Play Store (Android).
- **Open** up the Kanopy App.
- Tap **Get Started**.
- Find and select your **Library**.
- Enter your **library card number** and **library password** (Your password can be reset on the library website if required).
- Enter in your personal details and choose a password to create a hoopla account.
- A verification message will be sent to your email address. Open the email sent to you by Kanopy and click on the link to **verify your email**.
- You can now start using Kanopy to stream up to **8 tickets per calendar month**.

Using Kanopy from a computer or laptop

- Open your Internet browser and navigate to the Kanopy website **www.kanopy.com/group/wa**. Alternatively you can access the site from your library website.
- Find and select your **Library**.
- Click **Add Library Card** if it is your first time using Kanopy.
- Enter your **library card number** and **password** (Your password can be reset on the library website if required).
- Enter in your personal details and choose a password to create a hoopla account.
- A verification message will be sent to your email address. Open the email sent to you by Kanopy and click on the link to **verify your email**.
- **Login** to Kanopy using the email address and password you entered in step 4.
- You can now start using Kanopy to stream up to **8 tickets per calendar month**.
