My name is Aaron Buegge, I am 38 years old and I farm with my wife and 2 young boys (5 and 7) in the shire of Bruce Rock. I was born in Bruce Rock and did my primary school education there, before attending boarding school. I completed a Bachelor of Agribusiness at Curtin University in 2017. After working in the banking sector and travelling I returned to the district to live full time in 2019, and apart from 2 years in Perth have lived here ever since. My wife and I started our own farming business in 2018. My children are both now attending Bruce Rock District High School and I am currently on the committees of the Bruce Rock Hockey Club, Tennis Club, Squash Club and Ag Society in the role of treasurer for each. As part of the Bruce Rock Progress Association, I run one of the community crops, donating all operational activities, with all proceeds put back into the community. I look forward to helping the community move forward should I be a successful candidate.
