**CROOKS, Tony is eligible to stand for election as a resident of the Shire of Bruce Rock.**

My name is Tony Crooks and I have lived in Bruce Rock all my life. I live in Ardath/Shackleton and farm with my wife, son and his young family. Since 2018, I have served as a Shire Councillor and currently hold the role of Deputy Shire President. I am also Chief Bush Fire Control Officer, Chair of the Bush Fire Advisory Committee, and a member of the Local Emergency Management Committee. I am a member of the Works and Services Committee and the Audit Committee and I am involved in sporting clubs in Ardath/Shackleton. During my time on council we have worked hard to deliver positive outcomes, including the main street revitalisation, the community playground and vital water conservation projects. Looking ahead, a main priority will be road maintenance. My vision is to continue making Bruce Rock and surrounding towns a great place to live, work, and raise a family. With your support, I would like to continue building on the progress we've made to create a stronger future for Bruce Rock.
