WAYE, Nathan is eligible to stand for election as a resident of the Shire of Bruce Rock.

My name is Nathan Waye, and I am running to be a Councillor for the Shire of Bruce Rock. I am a 24-year-old law student who grew up in Bruce Rock and moved back home about a year ago. I am running for Council because I firmly believe that our Council needs a youth voice and a fresh perspective. I have experience representing young people, including as the 2025 Youth Member for the Central Wheatbelt in the Y WA's Youth Parliament program.

In addition to representing the youth of our community, I aim to be a Councillor who listens to the community and keeps the whole of the community in mind when making decisions. I hope to advocate for further openness and transparency regarding Council decisions, increased community consultation about important issues and to ensure that Council money is spent wisely.

A vote for Nathan Waye, is a vote for the future!
