PATHWAYS TO WAVE ROCK
WESTERN AUSTRALIA

Which path will you take?

THE PATHWAYS TO WAVE ROCK TRAIL travels through the towns of Corrigin, Kondinin, Kulin, Lake Grace, Hyden, Narembreen, Bruce Rock, Quairading and back to Perth through York. The trail can be entered from other routes in all directions and links to other trails such as Pioneers' Pathway, Golden Pipeline, Dryandra Trail, Granite Loop, Granite and Woodlands Discovery Trail and Wheatbelt Way.

The Central Wheatbelt is a wonder waiting to be enjoyed. Its massive granite outcrops and spectacular views are a haven for birds, wildlife and wildflowers that delight bushwalkers, wildflower enthusiasts and photographers.

EARLY EXPLORERS, SUCH AS JOHN SEPTIMUS ROE, SANDALWOOD CUTTERS AND EARLY SETTLERS ALL CAMPED NEAR ROCKY OUTCROPS WHERE WATER AND GRASSES WERE USUALLY PLENTIFUL.

Wheat fields, grazing sheep and cattle and magnificent stands of salmon gums, rough morrells and polished gimlets make for spectacular views. The open space and night skies are awe inspiring.

Glimpses of fauna, the striking wildflowers, a BBQ at a tranquil picnic area or camping under the dazzling stars are simple joys of the area. Enjoy the special delights of fresh produce including olive oil, wines, preserves, yabbies and lavender products, as well as excellent cafes and restaurants. The friendly people in these rural communities, each unique in some way, will welcome the traveller to enjoy all that the region has to offer.
