Hi! I'm Maddie!

I've lived in Bruce Rock for the better part of 4 years now and am extremely passionate about the community that I have so lovingly been included in.

I started my journey here as a staff member of the CRC and was fortunate enough to meet and get to know so many amazing locals in my time there. I am now employed in the youth support sector and travel between my organisation's different sites to support the youth of the Wheatbelt.

I am an enthusiastic member of Bruce Rock Hockey Club and am impassioned to see the development of our club, specifically the juniors, in playing, officiating and becoming whole club people.

I'm eager to bring to the Council my experience working with youth and assist in the creation of new plans and ideas to ensure that the youth of Bruce Rock are supported and encouraged to stay in town.

I would love to be a member of the Bruce Rock Council to give back to the place that I'm lucky enough to call home.
