3. President Speech

“June 2024 seems so very long ago. There have been massive changes within our Shire organisation. I’d like to welcome Mr Mark Furr as our new CEO, taking over from Mr Darren Mollenoyux after many years.

We also have a new Works Manager, Manager of Finance and a reorganisation of our executive team. With a very tight economic environment and employment market, Council and Shire have gone about increasing efficiency whilst still providing absolute quality for our wonderful community, because in the end that is our purpose. Serving you. We want to make the most of rate payers' money, ever mindful of waste.

I would like to take this opportunity to not only thank our amazing shire staff, but my current councillors. Your commitment, support and professionalism to service is most valued by me . So thank you.

Speaking from a current perspective, Council has now been able to refocus away from the shop rebuild after many years of singular direction. The shop has proven that we can achieve so much if we put our collective minds to a goal. We can now go back to our pre Covid Strategy of revitalisation of the main street. Much has changed since, and new priorities have now become evident.

Many years ago, Bruce Rock was the envy of many for our roads and Council has prioritised this philosophy going forward. As such, we are focussing on purchasing a jetpatcher to increase speed, efficiency, and quality output of our works team. We are still committed to revitalising the Main Street, to upgrading facilities and constructing our new playground. We still have a vision for where Bruce Rock will be 10, 20, 50 years from now and we will take our amazing community there. But It’s just that the direction, the “roads” we take ,will be differentand now they’ll also be smoother .

My fellow councillors and I are here for you. Mark, our CEO, is here for you. His door is always open. Never be afraid to talk to any of us because that is how we learn and can take us on a sustainable and enjoyable journey together.

Thank you"
