

**Proof of vaccination requirements for businesses, and for patrons using certain businesses and services.**

The Shire of Bruce Rock has received many queries regarding vaccination requirements and how these affect people operating and using certain businesses. As these Directions are issued by the WA State Government, the Shire's role is to assist in directing people to the information sources available.

Therefore, this information is to assist in providing the latest information regarding vaccination, and proof of vaccination requirements for certain activities of prescribed businesses and affected persons. Furthermore, patrons who use certain businesses that are affected by vaccination requirements and proof of vaccination requirements will also find the information below useful.

The State Government has provided two 'Frequently Asked Questions' sheets as follows:
